In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued “Statement of responsibilities of auditors and audited bodies 2015-16”. It is available from the Chief Executive of each audited body and via the PSAA website (www.psaa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The ‘Terms of Appointment from 1 April 2015’ issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities. This report is intended solely for the use of the Members of the audited body. We, as appointed auditor, take no responsibility to any third party.

Our Complaints Procedure – If at any time you would like to discuss with us how our service to you could be improved, or if you are dissatisfied with the service you are receiving, you may take the issue up with your usual partner or director contact. If you prefer an alternative route, please contact Steve Varley, our Managing Partner, 1 More London Place, London SE1 2AF. We undertake to look into any complaint carefully and promptly and to do all we can to explain the position to you. Should you remain dissatisfied with any aspect of our service, you may of course take matters up with our professional institute. We can provide further information on how you may contact our professional institute.

1. Executive summary

The National Audit Office's Code of Audit Practice (the Code) requires us to report to those charged with governance – the General Purposes Committee – on the work we have carried out to discharge our statutory audit responsibilities together with any governance issues identified. We also report to the Audit Panel as the committee with oversight of audit issues. This report summarises the findings from the 2015/16 audit which is substantially complete. It includes messages arising from our audit of your financial statements and the results of the work we have undertaken to assess your arrangements to secure economy, efficiency and effectiveness in your use of resources.

Below are the results and conclusions on the significant areas of the audit process.

Status of the audit	<p>We report progress on our audit of the financial statements of Test Valley Borough Council for the year ended 31 March 2016. A number of detailed work areas remain in progress at 20 September 2016. We will provide a verbal update on our conclusions on outstanding work areas at the 29 September 2016 meeting of the General Purposes Committee.</p> <p>Based on the work undertaken to date we anticipate issuing an unqualified opinion on the Council's financial statements. This is subject to the completion of our outstanding work.</p> <p>We expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources.</p> <p>We have performed the procedures required by the National Audit Office (NAO) regarding the Whole of Government Accounts submission. We had no issues to report.</p> <p>We expect to issue the audit certificate at the same time as the audit opinion.</p>
Audit differences	<p>As of 20 September, our audit has identified one audit difference which our team has highlighted to management for amendment. This has been corrected during the course of our work and further details are provided at Appendix A. In addition to the item reported in Appendix A, we identified a small number of disclosure errors, which have been corrected by management. These adjustments have not had an impact on useable reserves.</p>
Scope and materiality	<p>In our audit plan presented at the 14 March 2016 Audit Panel meeting, we communicated that our audit procedures would be performed using a materiality of £1.38 million. We have reassessed this based on the actual results for the financial year and have reduced this amount to £1.30 million. This is due to a decrease in gross expenditure from 2014/15 (on which our planning materiality was based) to 2015/16.</p> <p>The threshold for reporting audit differences which impact the financial statements has decreased from £69,000 to £65,000. The basis of our materiality assessment is 2% of gross operating expenditure, which has remained consistent with prior years.</p> <p>Our work is being carried in accordance with our Audit Plan, with one clarification; we have not sought to test key controls for the key processes listed in our Audit Plan, as we determined a fully substantive approach to be the most efficient for our audit.</p>

Significant audit risks	We identified the following audit risk during the planning phase of our audit, and reported this to you in our audit plan: <ul style="list-style-type: none">• Risk of management override. The 'addressing audit risks' section of this report sets out the work performed to gain audit assurance over this issue.
Other reporting issues	We have no other matters we wish to report to date.
Control observations	We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements.

We would like to take this opportunity to thank the Council's staff for their assistance during the course of our work.

2. Responsibilities and purpose of our work

The Council's responsibilities

The Council is responsible for preparing and publishing its Statement of Accounts, accompanied by the Annual Governance Statement (AGS). In the AGS, the Council reports publicly on the extent to which it complies with its own code of governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in the year, and on any planned changes in the coming period.

The Council is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Purpose of our work

Our audit was designed to:

- express an opinion on the 2015/16 financial statements and the consistency of other information published with them;
- report on an exception basis on the Annual Governance Statement;
- consider and report any matters that prevent us being satisfied that the Council had put in place proper arrangements for securing economy, efficiency and effectiveness in the use of resources (the value for money conclusion); and
- discharge our statutory duties and responsibilities as established by the Local Audit and Accountability Act 2014 and Code of Audit Practice.

In addition, this report contains our findings related to the areas of audit emphasis and any views on significant deficiencies in internal control or the Council's accounting policies and key judgments.

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

3. Financial statements audit

Addressing audit risks

We identified the following audit risk during the planning phase of our audit, and reported these to you in our Audit Plan. Here, we set out how we have gained audit assurance over this issue.

A significant audit risk in the context of the audit of the financial statements is an inherent risk with both a higher likelihood of occurrence and a higher magnitude of effect should it occur and which requires special audit consideration. For significant risks, we obtain an understanding of the entity's controls relevant to each risk and assess the design and implementation of the relevant controls.

Significant Risks (including fraud risks)	Audit procedures performed	Assurance gained and issues arising
<p>Risk of management override</p> <p>As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.</p> <p>We identify and respond to this fraud risk on every audit engagement.</p>	<p>We:</p> <ul style="list-style-type: none"> · Tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements. · Reviewed accounting estimates for evidence of management bias, focussing on those impacting the general fund. · Evaluated the appropriateness of accounting policies against Code guidance and for changes from the prior period. · Evaluated the business rationale for any significant unusual transactions 	<p>No indications of management override of controls were detected through our testing of journal entries or other adjustments made in the preparation of the financial statements</p> <p>Our review of accounting estimates impacting on the general fund did not identify any indications of management bias.</p> <p>We evaluated accounting policies as being appropriate for the Council and in compliance with the CIPFA Code of Practice. All changes in policy from the prior period were appropriate and had been properly applied.</p> <p>Our work in respect of unusual transactions is ongoing at 20 September 2016.</p>

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we are required to communicate to you significant findings from the audit and other matters that are significant to your oversight of the Council's financial reporting process, including the following:

- qualitative aspects of your accounting practices; estimates and disclosures;
- matters specifically required by other auditing standards to be communicated to those charged with governance. For example, issues about fraud, compliance with laws and regulations, external confirmations and related party transactions;
- any significant difficulties encountered during the audit; and
- other audit matters of governance interest

We have no matters we wish to report at this stage.

Control themes and observations

It is the responsibility of the Council to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Council has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

We have adopted a fully substantive approach and have therefore not tested the operation of controls.

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements.

Our work on the Annual Governance Statement is ongoing.

Request for written representations

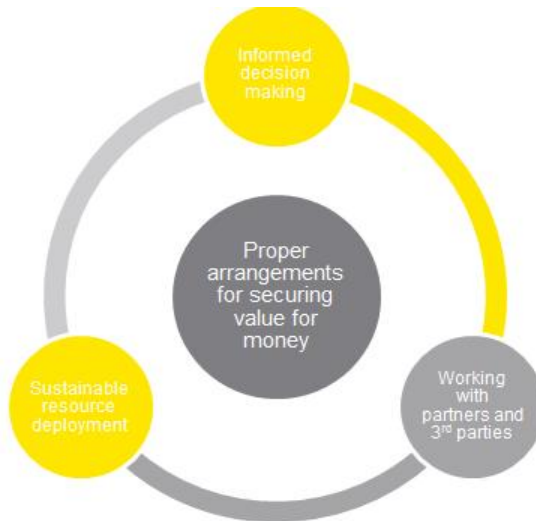

We have requested a management representation letter to gain management's confirmation in relation to a number of matters, as outlined in Appendix E.

Whole of Government Accounts

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

We have no matters to report in respect of the Whole of Government Accounts return.

4. Value for money

We are required to consider whether the Council has put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- ▶ take informed decisions;
- ▶ deploy resources in a sustainable manner; and
- ▶ work with partners and other third parties.

Overall conclusion

We identified one significant risk in relation to these arrangements. Details of this risk, and our response, are given in the table below.

We have performed the procedures outlined in our audit plan. We did not identify any significant weaknesses in the Council's arrangements.

We therefore expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources.

Significant risks

The table below presents the findings of our work in response to the risk areas in our audit plan. No additional risks have been identified since the planning stage of our audit.

VFM risk identified within our audit plan

Creation of a wholly owned company to provide private rented accommodation

The Council is in the process of creating a wholly owned subsidiary company to provide private sector rented housing.

It is important that proper consideration is given to the powers under which this company is set up, its purpose and correlation with wider Council strategy, and the related governance and financing arrangements for the scheme.

We shared with the Head of Finance, in October 2015, our thoughts on the kind of questions we, as your external auditors, would be asking about this new arrangement.

Impacts arrangements for:

Informed decision making and sustainable resource deployment

Key findings

We reviewed the arrangements the Council has put in place for the new housing company, with particular focus on the following aspects:

- ▶ The legal powers under which the company is created
- ▶ The rationale for creation of the company and how this aligns with the Council's strategic aims and objectives
- ▶ The initial funding for, and if applicable, provision of existing Council properties to, the company
- ▶ The contracting and procurement implications of creating the company
- ▶ The governance structures underpinning the company
- ▶ The financial and accounting implications of the company

The Council has taken informed decisions to date in respect of the housing company. It has sought detailed external legal advice, has called on the expertise of internal senior officers, and has allowed members to make informed decisions through detailed papers to Cabinet and Council. Processes have been established to allow informed decisions to be made for each project to be undertaken by the company going forward, through the requirement for detailed plans and costings for each proposed scheme, to be approved by members.

The Council has also used resources in a sustainable manner in respect of the housing company to date. The initial amounts set aside for the company appear reasonable; all schemes put forward by the company will require full costings and, when approved, will be included in the Council's capital programme. A clear purpose for the housing company has been established, it has been linked to the Council's corporate plan and medium term financial strategy, and is justified by reference to specific legislation.

We have therefore not identified any weaknesses in respect of the Council's arrangements to ensure informed decision making or sustainable resource deployment with respect to the housing company. Clearly there will be a need for ongoing close management of the company as it develops, to ensure it remains aligned with the Council's priorities and continues to provide value for money.

Appendix A – Corrected audit differences

The following corrected differences, which are greater than £65,000, have been identified during the course of our audit and warrant communicating to you.

These items have been corrected by management within the revised financial statements.

Balance sheet and Statement of comprehensive income and expenditure

Item of account	Balance sheet (Decrease) / Increase £000	Comprehensive income and expenditure statement (Decrease) / Increase £000
Debtors	(325)	0
Investment properties under construction	325	0
The Council's share of an asset being constructed with a third party had been recognised as a debtor; this should have been recognised as an investment property under construction.		
	0	0
Cumulative effect of unadjusted differences	0	0

Appendix B – Independence

We confirm there are no changes in our assessment of independence since our confirmation in our Audit Plan dated 29 February 2016.

We complied with the Auditing Practices Board's Ethical Standards for Auditors and the requirements of the Public Sector Audit Appointments Ltd (PSAA)'s Terms of Appointment. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning of regulatory and professional requirements.

We confirm that we are not aware of any relationships that may affect the independence and objectivity of the firm that we are required by auditing and ethical standards to report to you.

We consider that our independence in this context is a matter that should be reviewed by both you and ourselves. It is therefore important that you consider the facts of which you are aware and come to a view. If you wish to discuss any matters concerning our independence, we will be pleased to do so at the forthcoming meeting of the General Purposes Committee on 29 September 2016.

We confirm that we have met the reporting requirements to the Audit Panel and General Purposes Committee, as 'those charged with governance' under International Standards on Auditing (UK and Ireland) 260 – Communication with those charged with governance. Our communication plan to meet these requirements was set out in our Audit Plan of 29 February 2016.

Appendix C – Auditor fees

The table below sets out the scale fee and our final proposed audit fees.

Description	Proposed final Fee 2015/16 £	Scale Fee 2015/16 £	Variation comments
Total Audit Fee – Code work	52,830	52,830	N/A
Certification of claims and returns	9,042	9,042	N/A
Non-audit work	0	0	N/A

Our actual fee is in line with the scale fee set by the PSAA at this point in time, subject to satisfactory clearance of the outstanding work.

We confirm we have not undertaken any non-audit work outside of the PSAA's requirements.

Appendix D – Draft audit report

Independent auditor's report to the members of Test Valley Borough Council

Opinion on the Authority's financial statements

We have audited the financial statements of Test Valley Borough Council for the year ended 31 March 2016 under the Local Audit and Accountability Act 2014. The financial statements comprise the Movement in Reserves Statement, the Comprehensive Income and Expenditure Statement, the Balance Sheet, the Cash Flow Statement and related notes 1 to 36 and the Collection Fund and the related notes.

The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

This report is made solely to the members of Test Valley Borough Council, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Test Valley Borough Council and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Head of Finance and auditor

As explained more fully in the Statement of the Head of Finance's Responsibilities set out on page 8, the Head of Finance is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16, and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Authority's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Head of Finance; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Statement of Accounts 2015/16 to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the financial position of Test Valley Borough Council as at 31 March 2016 and of its expenditure and income for the year then ended; and

- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

Opinion on other matters

In our opinion, the information given in the Statement of Accounts 2015/16 for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we report by exception

We report to you if:

- in our opinion the annual governance statement is misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Council;
- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014;
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects

Conclusion on Test Valley Borough Council's arrangements for securing economy, efficiency and effectiveness in the use of resources

Authority's responsibilities

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the National Audit Office (NAO) requires us to report to you our conclusion relating to proper arrangements.

We report if significant matters have come to our attention which prevent us from concluding that the Authority has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We have undertaken our review in accordance with the Code of Audit Practice, having regard to the guidance on the specified criterion issued by the Comptroller and Auditor General (C&AG) in November 2015, as to whether Test Valley Borough Council had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people. The C&AG determined this criterion as that necessary for us to consider under the Code of Audit Practice in satisfying ourselves whether Test Valley Borough Council put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, Test Valley Borough Council had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Conclusion

On the basis of our work, having regard to the guidance issued by the C&AG in November 2015, we are satisfied that, in all significant respects, Test Valley Borough Council put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

Certificate

We certify that we have completed the audit of the accounts of Test Valley Borough Council in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.

This letter of representations is provided in connection with your audit of the financial statements of Test Valley Borough Council (“the Council”) for the year ended 31 March 2016. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the financial statements give a true and fair view of the financial position of Test Valley Borough Council as of 31 March 2016 and of its income and expenditure for the year then ended in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

We understand that the purpose of your audit of our financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK and Ireland), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.
2. We acknowledge, as members of management and those charged with governance of the Council, our responsibility for the fair presentation of the financial statements. We believe the financial statements referred to above give a true and fair view of the financial position, financial performance (or results of operations) and cash flows of the Council in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16. We have approved the financial statements.
3. The significant accounting policies adopted in the preparation of the financial statements are appropriately described in the financial statements.

4. As members of management and those charged with governance of the Council, we believe that the Council has a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16, that are free from material misstatement, whether due to fraud or error.
5. There are no unadjusted audit differences identified during the current audit and pertaining to the latest period presented.

B. Fraud

1. We acknowledge that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud.
2. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
3. We have disclosed to you all significant facts relating to any frauds, suspected frauds or allegations of fraud known to us that may have affected the Council (regardless of the source or form and including, without limitation, allegations by “whistle-blowers”), whether involving management or employees who have significant roles in internal control. Similarly, we have disclosed to you our knowledge of frauds or suspected frauds affecting the entity involving others where the fraud could have a material effect on the financial statements. We have also disclosed to you all information in relation to any allegations of fraud or suspected fraud communicated by employees, former employees, analysts, regulators or others, that could affect the financial statements.

C. Compliance with Laws and Regulations

1. We have disclosed to you all identified or suspected non-compliance with laws and regulations whose effects should be considered when preparing the financial statements.

D. Information Provided and Completeness of Information and Transactions

1. We have provided you with:
 - Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters;
 - Additional information that you have requested from us for the purpose of the audit; and
 - Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
2. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
3. We have made available to you all minutes of the meetings of the Council, Cabinet and other committees (or summaries of actions of recent meetings for which minutes have not yet been prepared) held through the year to the most recent meeting.

4. We confirm the completeness of information provided regarding the identification of related parties. We have disclosed to you the identity of the Council's related parties and all related party relationships and transactions of which we are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the period ended, as well as related balances due to or from such parties at the period end. These transactions have been appropriately accounted for and disclosed in the financial statements.
5. We have disclosed to you, and the Council has complied with, all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt.

E. Liabilities and Contingencies

1. All liabilities and contingencies, including those associated with guarantees, whether written or oral, have been disclosed to you and are appropriately reflected in the financial statements.
2. We have informed you of all outstanding and possible litigation and claims, whether or not they have been discussed with legal counsel.
3. We have recorded and/or disclosed, as appropriate, all liabilities related litigation and claims, both actual and contingent, and have disclosed all guarantees that we have given to third parties.
4. No other claims in connection with litigation have been or are expected to be received.

F. Accounting Estimates

1. We believe that the significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
2. For accounting estimates recognised or disclosed in the financial statements:
 - We believe the measurement processes, including related assumptions and models, we used in determining accounting estimates is appropriate and the application of these processes is consistent.
 - The disclosures relating to accounting estimates are complete and appropriate in accordance with the applicable financial reporting framework.
 - The assumptions we used in making accounting estimates appropriately reflects our intent and ability to carry out specific courses of action on behalf of the entity, where relevant to the accounting estimates and disclosures.
 - No subsequent event requires an adjustment to the accounting estimates and disclosures included in the financial statements.

G. Subsequent Events

1. Other than as described in Note 35 to the financial statements, there have been no events subsequent to period end which require adjustment of or disclosure in

the financial statements or notes thereto.

H. Use of the Work of a Specialist

1. We agree with the findings of the specialists that we engaged to evaluate the valuation of property, plant and equipment, and the pension fund liability, and have adequately considered the qualifications of the specialists in determining the amounts and disclosures included in the financial statements and the underlying accounting records. We did not give or cause any instructions to be given to the specialists with respect to the values or amounts derived in an attempt to bias their work, and we are not otherwise aware of any matters that have had an effect on the independence or objectivity of the specialists.

I. Retirement Benefits

1. On the basis of the process established by us and having made appropriate enquiries, we are satisfied that the actuarial assumptions underlying the scheme liabilities are consistent with our knowledge of the business. All significant retirement benefits and all settlements and curtailments have been identified and properly accounted for.

Yours faithfully,

William Fullbrook
(Head of Finance and Section 151 Officer)

I confirm that this letter has been discussed and agreed at the General Purposes Committee on 29 September 2016
