Dear Mr. White,

OPENING HOURS - THE KEBAB SHOP,  
CHURCH STREET,  
ROMSEY.

I wish to record an objection to the application for an extension in licensing hours for the above mentioned business from 11p.m. up to midnight. The present opening hours up to 11p.m., already lead to gatherings of family customers in that area of Romsey after other businesses have closed. This is the cause of excessive noise and anti-social behaviour, such as litter in the streets and in and around Church Place and the Lortemore Road/Car Park area.

In view of the fact that the Deep Blue fish and chip shop has to close earlier than 11p.m., it would be sensible and equitable if both operations enjoyed similar closing times.

Yours sincerely

Richard Martin
