Dear Mr White

I have noted that the Kebab House take-away restaurant in Romsey has applied for a late license to trade after 11.00pm. As a resident of Church Street, I already find that the noise from the customers, who congregate outside the shop and into Church Street causes significant disturbances to myself and fellow residents. If this were to continue after 11.00pm this would be unacceptable to us all. I therefore would like to object to this application.

Yours sincerely
