Dear Mr White
Kebab Shop Church Street Romsey

I understand that the above premise has made an application for a new licence. As it is not alcohol related does this come under your jurisdiction. If you are not the authority would you please pass this letter onto the responsible person. Thanks.

I know that I am a bore on this subject, but again, is it not out of date, should they have ~~applied for a licence~~^{in August}?

This Kebab shop is a nuisance premise. At weekends and after school days the area around the Abbey Approach are littered with droppings of food and packaging from this shop. The seats in the area are filthy and covered in grease.

Later on in the evening it all starts again but this time with older customers some of which many are drunk.

If their current trading licence permits the business to trade until midnight why are they still selling well after this time and sometimes nearly to 0100 hours. If they cannot regulate the time themselves they should close the doors at 1130pm and only serve those already over the threshold and be regulated by the police.

Why can't you limit their licence to mirror that of the Fish and Chip Shop, ie 6 days a week Monday to Saturday and close by 9.30 pm

Our objection is the length of trading hours, the litter that comes from this shop, and the collection place for drunks after public houses turn out time. Without this shop the town would be a cleaner place and less aggressive. The licence has to be reduced.

Yours sincerely
