Dear Mr White,

~~Licence for the Kebab House in Church Street~~

I am writing to object to the application by the Kebab House for a licence to remain open until midnight. Since the shop opened a year or so ago, it has acted as a magnet to drunk young people emerging from the pubs so that the noise, vandalism and the mess they make goes on into the early hours of the morning. As a local Neighbourhood Watch co-ordinator I get complaints from people in Church Street and Church Road in addition to what I experience myself. ~~The situation has become so bad that local residents have recently~~ arranged a meeting with the police to see what can be done.

This would seem a good opportunity to restrict its hours to 11pm in the evening at the latest so that those of us living nearby can get some sleep, particularly on Friday and Saturday nights.

Yours sincerely,

Geoff Morris
