Dear Sir

### Borough Arms Public House

It is understood that the above public house is applying for an extension of opening hours.

As owners of 64-70 Adelaide Road, four flats directly opposite the Borough Arms, the trustees are concerned for the residents. Our concern is that the noise created would disturb the ladies occupying these flats more so than at present.

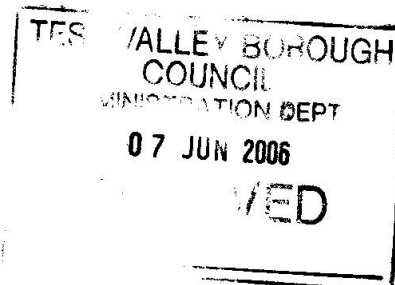

Noise is already a problem and litter poses another problem for the residents. The elderly lady residing at No 68 has to sweep up broken glass, cans and general rubbish on a daily basis every morning. We believe she has reported to the council the fact that litter bins are constantly being emptied outside the properties.

We would ask that you take into account the inconvenience already incurred and refuse this application.

Yours faithfully

Mrs C Dudman  
Assistant Clerk to the Trustees
