

ANNEX 18

Dear Sally

Thank you for your email.

We would indeed like to register our opposition to the Esso station being allowed to serve alcohol until midnight.

We are opposed to this application on the grounds that it will lead to continued/increased incidents of anti-social behaviour which are regularly inflicted on the residents of Greatbridge Road and surrounding roads, particularly on Friday and Saturday nights. Any measure that encourages people to purchase alcohol late at night after the pubs are closed is, in our opinion, only adding to our problems. We, and other residents, have been victim of frequent vandalism attacks on our vehicles, usually between 11pm and 1am, and quite frankly, we are fed up with it.

We would be grateful if you could forward on our opposition to the Esso licence application.

Thanks you for your help and continued support.

Regards

Mark and Donna Jones
78 Greatbridge Road
Romsey
