

## **ANNEX 6**

Many thanks for the update. I would still like to voice my objection to the amended times as I do not believe there is any need for the garage being able to sell alcohol until midnight. As I said before, it will only add to the yobbish behaviour, fuelled by alcohol that has, sadly become widespread throughout Romsey.

### **Original representation**

I've just read the piece in the on-line Romsey Advertiser regarding Esso's application for 24 hours drinks licence.

We live in Fishlake Meadows, overlooking the new play park, by Barratts. We have constantly suffered with youths with alcohol at night there and this would make it much worse, if the access to buy it was there 24 hours a day.

Last week there was broken vodka bottles and guinness bottles shattered under the play equipment and surrounding areas, and despite 'phoning the Council about it first thing in the morning (and I was told they had already been informed), it was still there in the evening. In the end I 'phoned the Neighbourhood Warden number and they came and cleared it away for us, a box full of glass.
