Dear Mr White

The reason for writing is we would like to place our objection to the application for a sale of alcohol licence at Eoso Garage Greatbridge Road Romsey Hants. Reasons for the objections is since we moved here 4 years ago we have had our wall knocked down twice 2 pillars knocked down and 5 fence panels had to be replaced as for O.S. Behaviour well it is not mentionable, swearing, fighting it is disgusting.

2 Empty beer cans bottles etc strewn across the pavements what will happen when this "On the Run" cafe comes about the litter will be a lot worse.

3 Surely this will lead to more

traffic which is already a busy road. the sound of screeching tyres and horn blowing is no fun at 1 am in the morning

Yrs Sincerely
