Dear Sirs

Esso Garage Greatbridge Road – Alcohol Licence

I am writing to object to the application made on behalf of ROC UK to sell alcohol from the above premises from 6 am to 12 midnight.

We own the Romsey Industrial Estate, which is very close to the filling station, and suffer from vandalism on a regular basis. This includes graffiti, broken windows, kick damage to doors, drain pipes and cladding, a number of fires and littering with broken bottles and empty cans.

Groups of children can be seen in the evenings and at weekends drinking on our estate and this is quite intimidating to legitimate users.

In my opinion any form of alcohol licence will be detrimental to the area.

Yours faithfully

Nick Goulden
