

ANNEX 10

Dear Cllr Lamb

I am writing to register my concerns regarding the licence application at the garage in Greatbridge Road. I object to a garage selling alcohol at all, but realise that most do nowadays.

We have noticed in the few weeks since the garage has been closed, a marked decrease in the level of noise and anti social behaviour from people outside in the street near our house.

I personally cannot see a need for anyone to buy alcohol at 6am or for anyone to want to sell it. I am also concerned with there being a 24 hour café at the garage with the associated noise, traffic and congregation of young people that this sort of business will lead to.

Regards

Cllr Karen Dunleavey
