Dear Mr White

Application for Liquor Licence for the Tesco's Store at the junction of the Drove and Weyhill Road

It has been brought to our attention that Tesco Metro at the junction of the Drove and Weyhill Road are going to request a liquor licence from 0600hrs to 1100hrs, I find this absolutely staggering with all the publicity and bad press about binge drinking you would have thought that even a super store such as Tesco's would have some conscience about the potential problems this will cause. Who needs to purchase alcohol at 6am for goodness sake.

We are also not happy about the disruption the opening of this store is going to cause with extra traffic, deliveries, parking, noise etc, it is going to be a nightmare, the sheer volume of traffic will cause a great deal of congestion aside from late night revellers dropping beers cans and litter everywhere, this used to be a nice quiet area. we are relying on you to cut these opening hours considerably please think of the residents why should these super stores always get there way I suppose in the end it boils down to money, greed and power and not the general well being of the public who have rights as well and are extremely upset and angry about this situation.

We are leaving this in your hands and hope that an agreeable solution can be made.

Yours Sincerely

Mr RD Swinney & Mrs J Hall
