Objection to Tesco Opening Hours

Dear Mr White,

It has come to our attention that Tesco are opening a store at the old 'Scats' building on the corner of Weyhill Road and The Drove. We understand that they have applied for a licence to trade between 0600 hours – 2300 hours and we wish to object to this.

If you are local then you will be aware that the store is in a heavily populated residential area, including the flats above the store, and we believe these hours of opening will be of great disturbance. We have three young children who sleep at the rear of our house and the noise from the side and rear loading bays of the Tesco building will not only wake them early in the morning but also keep them awake past their bedtime of 1900 hours.

The store will undoubtedly have large delivery lorries coming and going throughout the opening times, including the early and late hours, and wish to request the opening hours are restricted to the more appropriate hours of 0800 hours – 2000 hours.

With the large Tesco store open 24 hours a day and with two other nearby grocery outlets on the Weyhill Road it really is unnecessary to have this new shop open for 17 hours every day.

We would appreciate it if our objection could be taken into account when the decision on granting the Tesco licence is made.

Yours faithfully,

Ian & Tara Day
