FAO: Mr. M. White, Licensing Manager.

Dear Mr. White,

**Application for Liquor Licence from 06.00 am until 11.00 pm
Tesco's Store at the junction of The Drove and Weyhill Road**

We are writing to register our strong objections to the Application by the new Tesco's store where SCATS used to be for the excessive long opening hours/Liquor Licence. We already experience from time to time anti social behaviour from pedestrians using Amber Gardens as a short cut in the form of foul language and drunken behaviour together with empty/broken and discarded alcohol bottles and cans and discarded "take-away" litter.

We feel that the planned opening hours/Liquor Licence will only exacerbate this problem due to the close proximity of this new store to a residential area. Another matter of concern is the increased vehicular traffic generating additional congestion and traffic noise (particularly during the early hours of each morning and late hours each evening).

Yours sincerely,

David Jenkins

Claire Jenkins (Mrs).
