Dear Mr. White

I am objecting to the long licensing hours for the new Tesco store where Scots used to be.

We already have problems with youths from King George estate who use this road then cut across the recreation ground to their own estate. They presumably get their drink from the Co-op in Weyhill Road. They are noisy - using bad language - throw the beer cans in my front garden and vandalise cars.

I can see this getting worse if Tesco get their license. This is a residential area.

Yours faithfully
E. Hunt (Mrs)
