The Licensing Officer,
Test Valley Borough Council,
Beech Hurst, Weyhill Road,
Andover, Hants.

Dear Sir,

Re: Planning Application for Tesco Express – Weyhill Road

My wife and I understand that, in conjunction with their planning application, Tescos are applying to the Council for permission to sell alcohol at the shop until 11.00pm every night.

We object most strongly to this application due to the noise and disturbance it will cause to ourselves and other nearby residents. There is more than ample opportunity for potential customers to make their alcoholic purchases before that late hour. Those needing to purchase alcohol at that hour of the night are more likely to be those consuming excessive amounts and therefore much more likely to disturb our quiet enjoyment of rest and sleep so late at night.

It has been our experience that those shopping for any purpose at that hour of the night, for example to buy drink or to use automatic cash machines, have no consideration for the nearby residents by their actions and noise.

Yours sincerely

John Barrell
