

24 hour liquor licence for ASDA supermarket

### Objection

I wish to object to the possible granting of a 24 hour licence  
Not for now but for what the future may bring as a result of this action :-

1. It could fuel underage drinking which is already prevalent in MILLSTREAM PARK
2. It could exacerbate further drinking in the environs of the club and South Street
3. Drinking on the riverside path which is close to gardens in South Street, especially in summer
4. Cause more nuisance and disturbance to the already beleaguered residents of South Street.
5. Cause more problems if the <sup>new</sup> drinking scene is extended but not policed
6. Fly in the face of a possible national crackdown on binge drinking
7. This may be in future after a licence is granted - but it will happen - this is obvious!
8. I am wishing to point what may happen

in the future - if no thought is given  
to the factor now. It is not a case  
of such - it and see, our LIVELIHOOD our  
doubt is affected by this - please be  
PRUDENT -  
PREVENTION IS FAR BETTER THAN CURE
