Dear Sirs

**re: Licensing Act 2003 - The George Inn, Middle Wallop, Hampshire**

We refer to the application for Review made by Sgt Adams.

As you are aware we act for Enterprise Inns Plc which is essentially a property business in the course of which our clients let licensed premises to individual operators. Our clients own the Freehold of the premises. In the circumstances our clients are an interested party by virtue of Section 13 (3)(C) of the Licensing Act 2003. Our clients are not only involved in a business in the vicinity are clients are indeed involved in this business.

We would be grateful if you would accept this letter as a formal representation in respect of the Review Proceedings. We would advise that our clients would wish to be represented at the Review Hearing. Our clients would respectfully submit that the Licensing Objectives can be achieved and indeed promoted in ways other than the Revocation of the Licence.

We would be grateful to receive the acknowledgement of this letter of representation and look forward to hearing from you.

Yours faithfully

**GOSSCHALKS**
