Dear Mr White

Further to your email - We write again with regard to the application submitted to grant an Entertainments License to Rownhams House.

As residents of the neighbourhood, we strongly oppose this application on the grounds that it does not fulfil one of the objectives of licensing these premises i.e.

1. The prevention of crime and disorder
2. The prevention of public nuisance
3. Promotion of public safety.

We feel that if the license were to be granted, this would allow visitors access to alcoholic beverages which when combined with an increased volume of visitors to the premises, may give rise to a greater likelihood of drunk and disorderly behaviour. This in turn may increase public nuisance, crime and disorder and cause issues with regard to public safety in general.

We consider this to be a quiet and peaceful residential area and would not wish to see have the objectives named above compromised by the granting of this license.

Yours faithfully
