

Annex 75

I understand that application has been made for granting of license for the sale of alcohol on the premises, provision of regulated entertainment, provision of facilities for regulated entertainment, provision of late night refreshments.

I would like to register my objection to the granting of said license on the grounds that Rownhams House sits in the middle of a residential estate, housing many families with children of various ages, adults that have responsibility to attend work and carry out such work efficiently and safely.

Late night entertainment will not be conducive to the well being of the community.

I doubt the road system into the estate is designed to cater for additional traffic loads, having already had to have traffic calming measures introduced.

Traffic using Balmoral way is, in my opinion, already making the road dangerous owing to drivers having little regard to speed limits and bends. Much as we would like to believe all drivers are responsible alcohol has the effect of creating irresponsibility when behind the wheel and as Rownhams is not on an evening bus route one presumes, most attendees at a function will drive
