Dear Sir,

I am writing to voice my objection to Mr & Mrs Barber's planning application to allow regulated entertainment, the sale of alcohol and late night refreshment at Rownhams House, Rownhams,

My house backs directly onto the boundary of Rownhams House and any events held the house will undoubtedly disturb us, particularly noise from music and entertainment held in the grounds of the house. We live in a quiet peaceful community and I feel it is unfair that one individual should be allowed to spoil the environment for others for his own monetary gain. I am also deeply concerned that if alcohol consumption is permitted, Mr Barber may lose control of the behaviour of the party goers leading to more noise and misbehaviour including vandalism and theft of local property.

I am sure I am not alone in my objection to this proposal and trust that our collective complaints will serve to stop this application going any further.

Yours faithfully,

Paul & Helen Halliwell
