

ANNEX 58

Sirs,

Rownhams House owner Mr Barber is applying for an entertainments licence.

My house runs parallel with Balmoral Way, not only is it a rat run with the volume of traffic increasing all the time, but weekends I am disturbed by noisy drunk individuals walking past my house, creating enough noise to wake me up.

I don't want further disruption. Mr Barber does not live in the neighbourhood so does not experience the anti-social behaviour. I strongly object to the licence application.

Yours faithfully

Brenda Jones
