23RD April 2009

Dear Sir or Madam:

I am writing to you as I have just found out about the application for a Entertainment and late night drinking licence for events to be held in Rownhams House.

As residents who have lived in this area now for thirteen years and my house backs onto Rownhams house, this would have a great affect on our lives.

We would suffer greatly from the noise, pollution, drunken people and crime such as crime damage To our properties and vehicles I know this would happen as I work for Hampshire Constabulary and know what people do when under the influence of drink.

The other concern that I have is the amount of vehicles that would be coming onto the estate, with parking, banging car doors late at night.

So my husband and I appose this application
=====

Yours faithfully

S.J.Callaway
