

Annex 51

I am writing to object to the License Application for Rownhams House. I am a local resident living in Normandy Close, which is situated very close to Rownhams House. There are gates that lead to Rownhams House at the top of our close.

The reasons for my objections are that I am concerned about the safety of my children, with the increased traffic that I feel this will cause and possible parking in our close of people that will be using the facilities.

I am unhappy about the prospect of late night drinking and the noise and disturbance of people emptying out at the end of the evening. This will cause a public nuisance to everyone living in the surrounding housing estate.

I also feel that this will also lead to an increase in crime to our gardens, houses and cars, and also to cars parked while people are visiting Rownhams House.
