

Annex 48

1st May 2009

Dear Licensing Panel

I am a resident of Rownhams House Park and it has been brought to my attention that an entertainment licence has been requested by the owner/operator of Rownhams House. As I am sure you are aware this is a large housing estate occupied primarily by families. Rownhams House is located at the very centre of the housing estate. The operation of Rownhams House as an entertainment facility will in my opinion cause a public nuisance. We already have two establishments with entertainment licenses within a one mile radius of Rownhams house. We also have a well documented growth in anti-social behaviour and alcohol related disturbances in the areas around Rownhams and Nursling. The addition of another entertainment facility in this location will in my opinion neither assist the prevention of crime and disorder or promote public safety.

This is a housing estate and designed and built around the ground of the Rownhams House. The design of the area is in no way suitable for public entertainment. The highways network has been designed for light traffic use and the disturbance to local residence must be a higher priority than that of a building operator/owner

I hope that my opinions are taken into consideration. I moved to this area with my family because it is a quite, well maintained area, populated by honest hard working people. This is not the location for any entertainment facility.

I would like to be kept informed as to the outcome of this application. I can be contacted either by mail at the address below or by email.

Yours sincerely

Chris Baker
