

Re: ROWNHAMS HOUSE LICENSE APPLICATION

**FOR THE ATTENTION OF MR MICHAEL WHITE, LICENCING AUTHORITY,
TVBC**

I wish to register my strong opposition to the above application being approved.

My understanding is that Roger John Barber and Penelope Jill Barber have applied for a new grant of Premises Licence for Rownhams House, Rownhams, SOUTHAMPTON. SO16 8LS. If the application is approved, it will allow the sale of alcohol on the premises, provision of regulated entertainment, provisions for facilities for regulated entertainment and the provision of late night refreshment.

I shall list my objections one by one.

- 1) Totally unsuitable for a residential area
- 2) Increase in late night/early morning traffic
- 3) Increase in catering/entertainment vehicles
- 4) Revellers making their presence heard late night/early morning
- 5) Probable increase in litter, vandalism
- 6) Devaluation of our properties in Rownhams House Park
- 7) Increase in cars needing to park
- 8) Residents not being able to park easily
- 9) Residents of Rownhams House Park not able to enjoy the peaceful evenings in their own property/gardens.

Rownhams will most certainly not benefit from the application being granted.
Please take the above points into consideration.
