Dear Mr White

I am writing to OBJECT VERY STRONGLY about the current application that is being made by Mr and Mrs Barber for an entertainment licence for Rownhams House in Betteridge Drive, Rownhams, in order to hold "events".

This is a quiet residential housing estate and can think of nothing worse than every weekend being kept awake by late night drinkers and revellers until the early hours. We see all the time the "drink fuelled" behavior of many people which will inevitably spill out on to Betteridge Drive and surrounding closes in this area.

The road itself is extremely narrow, barely enough room to pass two cars so when car parking is full in Rownhams house cars will be humped up on to pavements outside my and all my neighbours houses, and car doors banging late at night.

This in turn could have a very detrimental effect on our house prices when people find out that "musical events or wedding/parties" are held in the house and garden next door or a few houses away.

In short we have a very pleasant, quiet, and peaceful area here, and I desperately ask that you allow it to stay that way.

Yours faithfully

Mrs R Norman
