Dear Mr White

We are writing to you with regards to Mr Barbers application for an entertainment and late night drinking Licence for Rownhams House.

We live in a small close containing five houses, the entrance to our close is not quite opposite the entrance to Rownhams house visitors. Our worry is that if this Licence is granted we will be stranded in our own homes as we already experience problems with access to our close when fellow residents have visitors. This is a residential area not designed to cater for extra traffic.

We hope that you duly note our objection to the application

Yours truly,

Lynda and Derek Saw
