

Annex 55

Dear Sir

I would like to register my strong opposition to the granting of the above application.

Our home directly backs onto Rownhams House and so we would be badly affected by any entertainment facilities they would hold. This area is totally unacceptable to grant a licence for drinking and entertainment considering it is in the middle of the village surrounded by expensive properties. It would increase the volume of traffic and potentially other crime related problems and no doubt the drinking would also cause public nuisance issues.

An event was staged back last summer and the after party sounded as if it was in our back garden! Therefore we don't want any repetition of that evening as one of the main attractions to our house was it backed onto quiet woodlands with no movement or disturbance at night.
