

Annex 46

Att licensing manager.

I wish to strongly object to the above application on the grounds that it is not in keeping with a quiet residential location. As a resident of Betteridge Drive close by to the entrance our lives have been blighted over a number of years with people using the drive as through road when returning from local pubs late at night, under-aged drinking in St Boniface Park, vandalism, bottles and cans thrown in gardens, takeaway wrappers, and youths urinating in our garden, not what one would expect for such a lovely road.

Parking would also pose a number of problems especially access for any emergency services if required in the area

Very concerned resident. .
