

**Annex 50**

To Licensing Panel

I wish to object to the granting of an Entertainments Licence at Rownhams House for the following reasons:

Living in the local vicinity, we are already subjected to drink-related anti-social behaviour at night. Granting a licence can only exacerbate this problem, leading to more crime and disorder.

Gatherings of large numbers of people, particularly if fuelled by alcohol, can lead to public nuisance.

Large groups of people attending functions will presumably arrive and leave by car causing more disturbance and using roads that are not designed for volume traffic. This could lead to issues of public safety.

Yours sincerely

Phillip George  
Local Resident
