

**Annex 64**

Home owner 2 GREENWOOD AVENUE, ROWHAMS SO16 8JS

REFERENCE LICENSING ROWNHAMS HOUSE

I would like to make the following objections against the above license being granted,

1. Extra traffic using Balmoral Way late at night. My property is also on Balmoral Way.
2. Excessive noise late at night. I already have to put up with noise (music) in the early hours, during the summer nights, which necessitates me having to close my bedroom window.
3. People leaving Rownhams House and making a disturbance walking along Balmoral way..
4. Litter of bottles/can which may be thrown down regardless.
5. Noise affect it will have on the houses immediately adjacent to the property.
6. Rownhams House is situated in a private residential estate and not in a field miles from the residents.
7. Value would go down on my property and other properties nearby.
8. Will attract possible undesirable people into the area to participate in the organised activities.
9. The owner does not even live on the premises this gives "carte blanche" to who ever the organisers are and the owner will not even have to put up with any problems which may arise - just benefit from money at the residents expense.

Thank you for reading this.
