<p>OSCOM Corporate Priority Review (2011-15): A Competitive Local Economy</p>	<p>2 December 2015</p>	<p>David Gleave</p>	<p>Recommended to Cabinet:</p> <ol style="list-style-type: none"> 1. To consider the inclusion of the ideas derived through the OSCOM review, including those raised at the round table discussion and additional forms of Member Communications, and that these ideas are taken forward through the formulation of the economic development strategy. 2. To work closer with schools and employers. 3. To review the training fund to achieve a more sustainable way of funding apprentices. 4. Final Strategy expected to be submitted to Cabinet in November 2016.</p> <ol style="list-style-type: none"> 1. OSCOM Members' comments are being incorporated within a draft Test Valley Economic Development Strategy. A new strategy will be considered by OMT in the near future en route to Cabinet, possibly by the end of the year. 2. To work closer with schools and employers. David Gleave has been working with businesses and schools and, for example, encouraged a number of employers to attend the recent joint Careers Day, involving all 3 Andover Secondary Schools at JHS – which TVBC also attended as a local employer. He would like Harrow Way Community School to hold a similar event, but for parents rather than students, next February. He is also supporting the schools with their promotional magazine which is being distributed across Andover, called The Edge. 3. To review the training fund to achieve a more sustainable way of funding apprentices Cabinet recently approved the Council becoming a National Skills Academy under the Construction Industry Training Board's Client Based Approach. This means that, once accepted by the CITB, the Council can use Section 106 Agreements to require applicants for major residential schemes to provide an employment and skills plan listing the various training obligations defined in the CITB scheme. This will formalise current practice under the national CITB format. 4. To review the Business Incentive Fund budget and the amount of individual grants. Cabinet reviewed the Business Incentive Grant in February 2016 and restored its original monetary value by increasing the grant from £500 to £750 whilst retaining the total number of grants payable per year.

The composition of the new Plans Panel should be calculated using a political balance formula that reflects the overall make-up of the Council and take into account geographical representation. 3. The Plans Panel does not have any delegated authority and is advisory in nature.
