

**LEGEND**

	Access Track
	Fence
	Application Boundary
	HV Cable Route
	Adjoining Property

- Notes:**
- All dimensions are in mm unless otherwise indicated.
  - Based on 'PSSZ Boundary Validation - Ramsey Way' received on 08/08/14.
  - Refer to HSE document 'Avoiding danger from overhead power lines - Guidance Note GSP' to understand the requirements for the mechanical plant in vicinity of overhead power lines.
  - Refer to HSE document 'Avoiding danger from underground services - Guidance Note HSG477' to ensure safe work practices where underground services may be present.
  - Design is subject to change based on planning.
