Consideration was given to a report of the Corporate Health and Safety Manager that demonstrated Test Valley Borough Council's commitment to:

- Making public the Council's performance on health and safety, by publishing health and safety performance data;
- The ongoing effective implementation of the Council's health and safety policy, organisation and its associated arrangements;
- Monitor and measure health and safety performance, with a view to highlighting areas where the Council performs well and also areas for improvement;
- Openness and accountability in all the council services; and
- Responsibility for ensuring a safe and healthy environment for service users, members of the public, employees, and contractors.

The following recommendation was proposed by Councillor K North and seconded by Councillor MacDonald and unanimously agreed by the Committee.

Resolved:

That the Annual Health and Safety Report 2022-2023 be approved.
