

General notes
 Grid and levels have been aligned with OS National Grid OSGB36 (18). All dimensions and levels are in metres unless noted otherwise.
 This plan should only be used for its original purpose. JPP accepts no responsibility if applied to any other purpose than the original client.
 In areas of the site may have been inaccessible due to dense vegetation, etc. on site at the time of the survey.
 Level of vegetation shown is approximate only. Generally, only trees a plot greater than 0.1m will be shown on the drawing.

Survey station information
 Survey data obtained by GPS observations.
