DRIVE CONSTRUCTION DETAIL IN NO-DIG AREA

Driveway area to be used for storage of materials and contractors facilities. Access to be maintained to Ambleside. Keeping a clear area for resident and visitor parking and access. All delivery vehicles and plant must stay outside the overhanging crown area - no turning under the crown is permitted. NO delivery vehicles must be allowed to enter the site unless under the direct supervision of a Banksman.

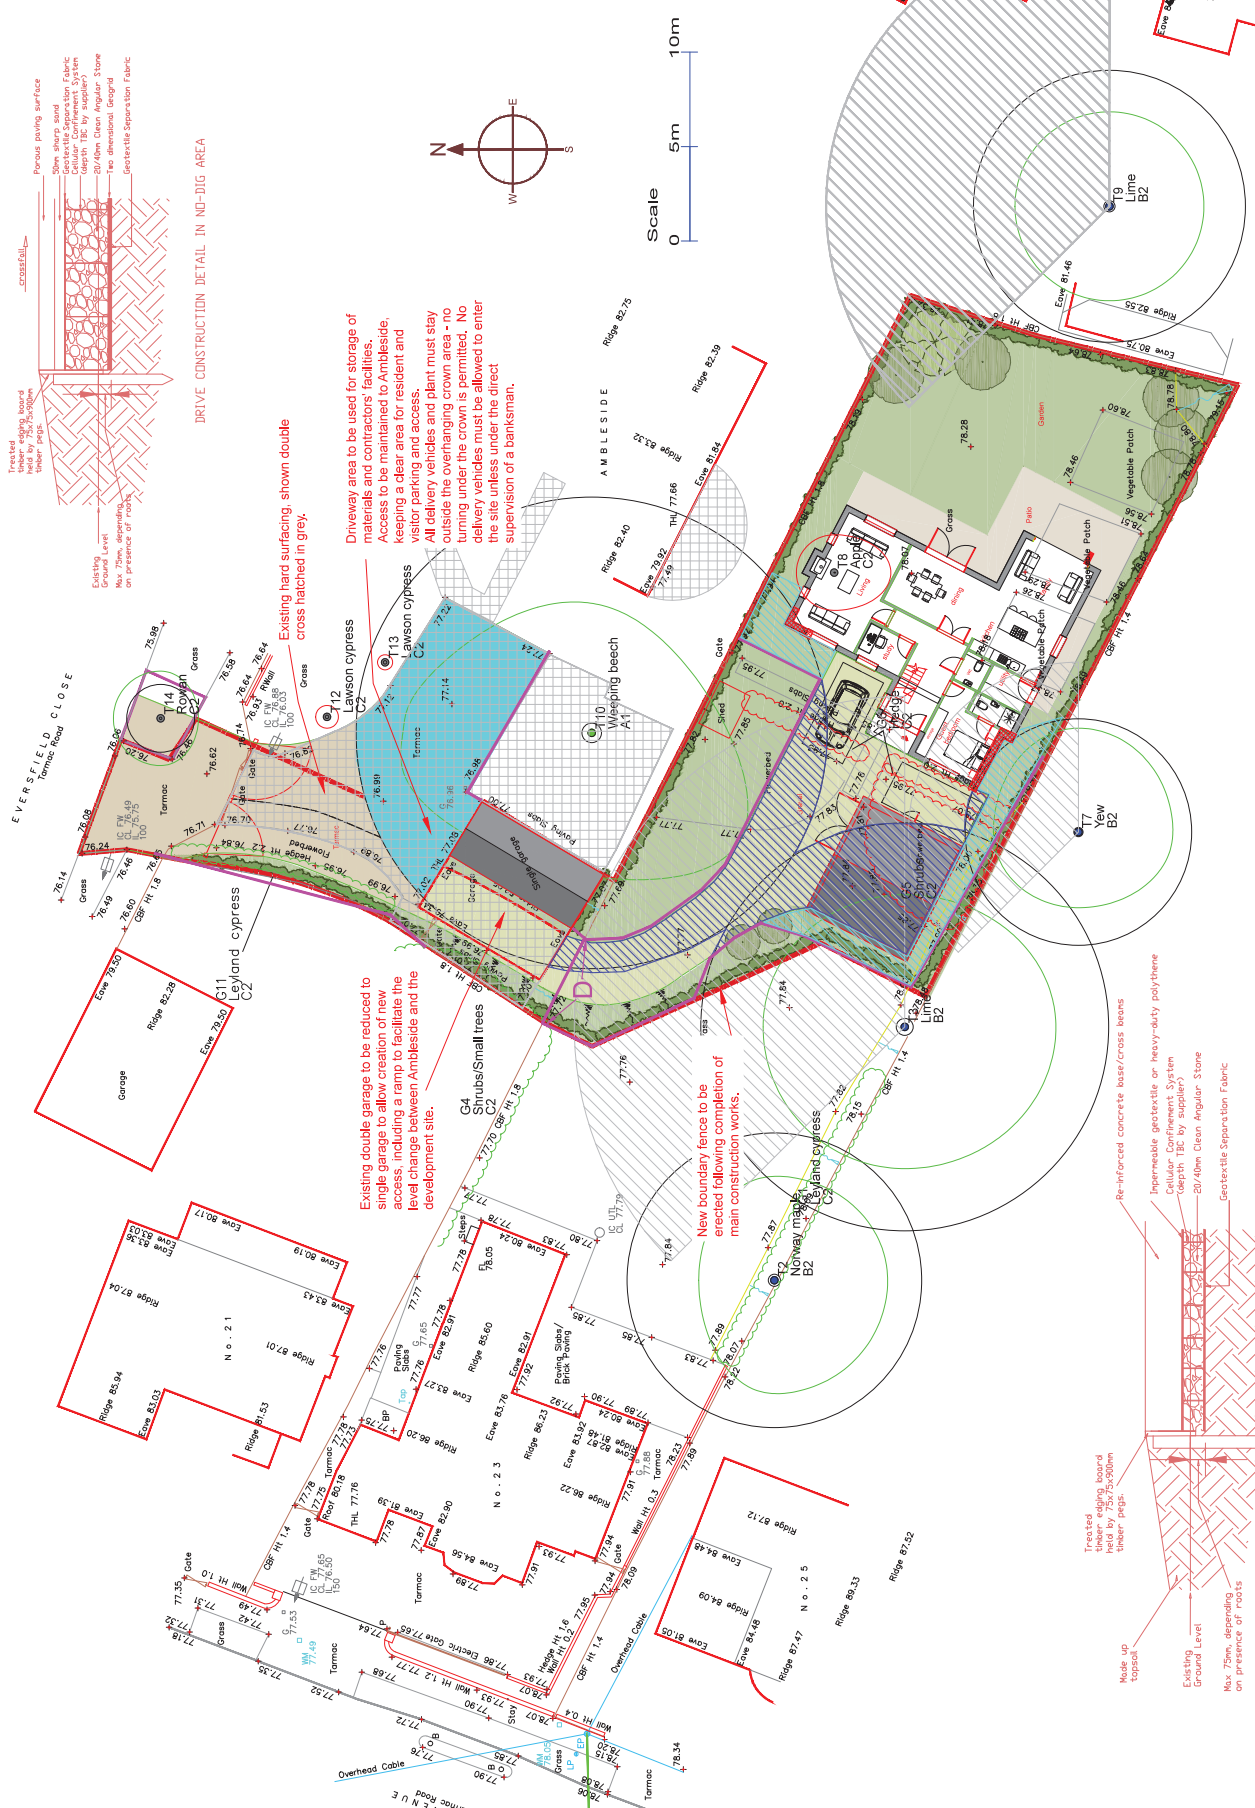

Existing hard surfacing, shown double cross hatched in grey.

Existing double garage to be reduced to single garage to allow creation of new access including a ramp to facilitate the level change between Ambleside and the development site.

New boundary fence to be erected following completion of main construction works.
