A redundant farm building at Haydown Farm, Wiremead Lane, East Cholderton, is being repaired and converted to house the brewery business. The building is attached to one side of a modern grain store. The entire space to be used by Breach Farm Brewing Ltd (BFB Ltd) is 6m deep and 24m wide (144 sqm). The building will have four sections each approximately 6m x 6m. The first will be used mainly for dry storage. The second will hold the brewhouse and fermentation tanks. The third will be for cold storage, tasting area and small café. The fourth will offer additional seating and a small event space available for community use.

BFB Ltd is purposely small-scale, focusing on quality over quantity. Each beer is hand made using the best natural ingredients, locally sourced whenever possible. Brewing on such an extremely small scale is expensive and requires us to educate and sell directly to the consumer.

Initially it is desired that the small café and tasting room be open four days each week. Proposed hours are Thursday 4-8pm, Friday 4-9pm, Saturday Noon-9pm, Sunday 1-6pm. In addition to beer and wine, the small café will offer coffee, tea, soft drinks, and locally sourced, pre-packaged snacks / sandwiches.

The café could also be available for local groups to operate for fundraising and community events, when not in use by BFB Ltd.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

We recognise, and state our commitment as a business to upholding, the four licensing objectives:-

- preventing crime and disorder
- ensuring the safety of the public
- the prevention of public nuisance
- the protection of children from harm

The three founding members of the business have training and experience in public facing roles within the brewing and retail sectors, and hold Personal Licences themselves.

All staff employed within the business will be provided with appropriate training and mentoring in the promotion of the four licensing objectives

The locally brewed craft beer on sale for consumption on the premises will be offered primarily in a range of small measures of 1/3rd, 1/2, and 2/3rd pints, with a strong emphasis on the “tasting” aspect. We will discourage binge drinking.

The whole ethos of the establishment will be the encouragement of responsible drinking and the appreciation of a quality hand crafted product and the subtle differences that can distinguish various beers

We will aim to attract and encourage customers who share our views on the social benefits of responsible beer drinking in a safe relaxed and friendly environment. We will not encourage irresponsible or excessive consumption. We will not serve anyone who is drunk or appears to be drunk.

We will actively avoid serving alcohol to underage children.

A challenge 25 policy will be in force, where any person looking under the age of 25 will be asked to prove their age when attempting to purchase alcohol. Challenge 25 posters will be displayed

An incident/refusal log will be kept at the premises, and be available for inspection on request by an appropriate officer of the council or a police officer.

This log will record the following;

- a) All crimes reported at the venue
- b) Any complaints received,
- c) Any faults in the CCTV system
- d) Any refusal of the sale of alcohol,
- e) any visit by a relevant authority

b) The prevention of crime and disorder

We will have a zero tolerance policy with regard to drugs

We will discourage drink driving. Whilst the venue will have car parking available, it will also have facilities for the storage of bicycles. The venue is located well off the highway, and is easily accessible by a network of public rights of way from the nearby villages of Amport, Monxton and East Cholderto, so we will encourage customers to walk to the premises.

We will not serve alcohol to anyone who is drunk or appears to be drunk.. We will keep a record of any incidents where we have to refuse to serve someone.

We will train and mentor all staff to be alert for these dangers, and have procedures in place to deal with them

All goods subject to duty payments i.e. alcohol, if not produced on site, will be purchased from bona fide suppliers only, and detailed invoices will be available upon

request. No alcoholic drinks or tobacco will be purchased from unannounced sellers calling at the premises

CCTV cameras and recorders will be installed at the premises, and these will be:

- of a standard acceptable to and approved by the police
- the system will be maintained in good working order and at all times the premise is open to the public, be fully operational covering both internal and external areas of the premises
- at least one CCTV camera is to be placed near to the exit in order to capture clear facial images of all patrons leaving the premises
- a suitably trained staff member will be able to provide police or council licensing officers recent CCTV footage with minimum delay when requested.

An incident/refusal log will be kept at the premises, and be available for inspection on request by council licensing officers or the police.

This log will record the following;

- a) all crimes reported at the venue
- b) any complaints received,
- c) any faults in the CCTV system
- d) any refusal of the sale of alcohol,
- e) any visit by a relevant authority

c) Public safety

We wish to be a venue where customers can relax and be safe, and where we can avoid anyone hurting themselves. We want staff to feel, and be safe too.

1. Installation of appropriate safety equipment
2. Fire exit signs displayed
3. To comply with all current fire, health and safety laws
4. CCTV working at all times

d) The prevention of public nuisance

The project to establish a craft brewery at Haydown Farm has received a substantial amount of support from local residents (please see attached file of supporting letters)

The whole ethos of the establishment will be the encouragement of responsible drinking in a safe, relaxed, friendly, and respectful environment. That respect extends to ensuring that we do not cause nuisance to the public. Customers will be asked to leave quietly and not to disturb the local neighborhood .

The venue is located well off the highway, with no residential properties nearby except Haydown Farmhouse itself. We will encourage customers to walk or cycle to the premises where possible via the network of public rights of way from the nearby villages of Amport, Monxton and East Cholderton to minimise vehicular traffic.

The venue will be open for very restricted hours. As a small operation we will not initially have sufficient resources, or desire, to be open more than 3, 4 or 5 days a week. Whilst we have specified an operating schedule for all seven days of the week, as a small enterprise we will not initially have sufficient resources, or desire, to be open more than 4 or 5 days a week. But we need the flexibility of a 7 day schedule to enable us to experiment with different days / times so we can identify the best operating schedule for

the business and our customers in the early stages, and develop the business.

e) The protection of children from harm

We will actively avoid serving alcohol to underage children.

A challenge 25 policy will be in force, where any person looking under the age of 25 will be asked to prove their age when attempting to purchase alcohol.

Challenge 25 posters will be displayed

All staff employed within the business will be trained and mentored to be alert to the dangers for children, and the prevention of underage drinking.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
