3	<p>Key Areas of Focus</p> <p>To undertake a review of the projects that section 106 and CIL funds have been utilised for during 2016-2022.</p> <p>NB: Community Infrastructure Levy came into force on the 1st August 2016.</p>																					
4	<p>What will be developed or reviewed?</p> <p>The purpose of the panel is to understand how 106 and CIL funds have been, where and why. The review will include the following:</p> <ol style="list-style-type: none"> 1. What funds have been received from 2018 to 2022? 2. What have been spent and on what? 3. Who decides how receipts are spent? 4. Annual report of expenditure for each year. 5. Recommendations to Oscom if necessary 																					
5	<p>Rationale – Why now/why at all?</p> <p>To understand what funds are received and how those funds are spent. To understand if budget restraint within the Council or if Covid has impacted on receipt of funds or expenditure. Is resource being taken from s106 and CIL receipts to cover other scenarios, when initially for other projects?</p>																					
6	<p>Anticipated Benefits Understanding the full impact on public money spending. Are we getting it right for the future of our communities?</p>																					

ANNEX

7	Resource Implications Will require limited meetings and officer resource.
8	Does the Project require Public Involvement Not at this stage, possibly down the line.
9	How will the Project assist the achievement of a Corporate Priority or Priorities? The council's corporate plan has a strategic focus on growing the potential of communities and recognises the important role we play in future development. Councillors need clear guidance on the expectations of spending 106 and CIL funds.
10	What do you want OSCOM to do now? OSCOM to endorse this scoping document April meeting.
