

<p><b>Strength of Audit Systems:</b> Improving clarity between the roles of the Audit Panel and General Purposes Committee.</p>	<p>To consider current arrangements for Audit reporting in the light of the Council's external auditor's recommendation that further clarity is needed between the role of Audit Panel and General Purposes Committee &amp; the recommendation that a separate Audit Committee be established.</p>	<p>31/03/23</p>	<p>Head of Legal &amp; Democratic in consultation with Statutory Officers</p>
<p><b>Business Continuity Planning:</b> The Council has a well-established approach to Business Continuity Planning which is primarily based on alternative office accommodation for its employees to relocate to. Although the current Business Continuity Plan remains valid the lessons learned from the pandemic and the move to more remote working means the BCP would benefit from review.</p>	<p>The Corporate Business Continuity Plan is being revisited and revised as part of a Corporate project. This to consider the new ways of working introduced in response to the pandemic.</p>	<p>31/03/23</p>	<p>Deputy Chief Executive</p>
	<p>To review and confirm those systems classed as "critical" for BCP purposes and carry out appropriate testing of these systems.</p>	<p>31/03/23</p>	<p>Deputy Chief Executive</p>
