

TEST VALLEY BOROUGH COUNCIL

HEAD OF SERVICE'S DECISION

Committee: Cabinet

Chairman: Cllr Ian Carr

Head of Service: Paul Wykes, Head of Environmental Services

SUBJECT

The agreement to the 'variation to the contract' for the sale of recyclable glass.

REASON FOR URGENCY

(After consultation with the Chief Executive)

In 2001 the Council entered into a contract for the sale of recycled glass. The contract is Hampshire-wide and includes all Project Integra partners. The previous contract allowed for a relatively low level of income back to partners from the sale of glass. The Contract has been re-negotiated in order for more income to be received from the contractor, which will be financially beneficial to the Council. The decision is urgent because the negotiations have only just been concluded and it is the intention for the 'Variation to the Contract' to commence on the 1 April 2009.

DECISION

That the variation to the original contract is agreed.

(After consultation with the Chairman (or in his absence the Vice-Chairman), who has not requested that the matter be referred to a special meeting of the Committee).
