P20-080 02-05-003 - Existing elevation  
P20-080 02-02-005 - court plan**

**Reason: For the avoidance of doubt and in the interests of proper planning.**

- 3. No development shall take place above DPC level of the development hereby permitted until samples and details of the materials to be used in the construction of all external surfaces hereby permitted have been submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.**

**Reason: To ensure the development has a satisfactory external appearance in the interest of visual amenities in accordance with Test Valley Borough Revised Local Plan (2016) Policy E1.**

- 4. Development shall proceed in accordance with the measures set out in Section 4.2 (Table 8) of the PRA report by Arb Tech (August 2021). In addition, it is highly advisable to undertake clearance of potential bird nesting areas outside the bird nesting season, which is generally seen as extending from March to the end of August, although may extend longer depending on local conditions. If there is absolutely no alternative to doing the work in during this period then a thorough, careful and quiet examination of the affected area must be carried out before clearance starts. If occupied nests are present then work must stop in that area, a suitable (approximately 5m) stand-off maintained, and clearance can only recommence once the nest becomes unoccupied of its own accord.**

**Reason: To protect and enhance biodiversity in accordance with the Habitat and Species Regulations 2017, Wildlife and Countryside Act 1981, NERC Act, NPPF and Policy E5 of the Test Valley Local Plan.**

- 5. No development (including site clearance and any other preparatory works) shall take place until a scheme detailing how trees shown on the approved plans to be retained are to be protected has been submitted to and approved in writing by the Local Planning Authority. Such a scheme shall include a plan showing the location and specification of any protective fencing, ground protection or other precautionary measures as informed by British Standard 5837:2012. Such protection measures shall be installed prior to any other site operations and at least 2 working days notice shall be given to the Local Planning Authority. Tree protection installed in discharge of this condition shall be retained and maintained for the full duration of works or until such time as agreed in writing with the Local Planning Authority. No activities whatsoever shall take place within the protected areas without the prior written agreement of the Local Planning Authority.**

**Reason: To ensure the enhancement of the development by the retention of existing trees and natural features during the construction phase in accordance with Test Valley Borough Revised Local Plan policy E2.**

- 6. Tree protective measures installed (in accordance with the preceding tree protection condition) shall be installed, maintained and retained for the full duration of works or until such time as agreed in writing with the Local Planning Authority. No activities, nor material storage, nor placement of site huts or other equipment what-so-ever shall take place within the barrier.**

**Reason: To ensure the avoidance of damage to existing trees and natural features during the construction phase in accordance with Test Valley Borough Revised Local Plan policy E2.**

- 7. Prior to the first use of any part of the development hereby approved a replacement tree planting plan and specification shall be submitted to and agreed by the Local Planning Authority. The new trees as detailed shall be planted in the approved positions in the first planting season following the completion of the development. This must be planted in accordance with the recommendations in BS8545:2014 'Trees: from nursery to independence in the landscape -Recommendations'. Any trees which die or become damaged within 5 years shall be replaced,**

**Reason: To ensure the continuation of canopy cover in the area and enhance the development in accordance with policy E2.**

- 8. Before the development hereby permitted is commenced details, including plans and cross sections, shall be submitted to and approved by the Local Planning Authority of the existing and proposed ground levels of the development and the boundaries of the site and the height of the ground floor slab and damp proof course in relation thereto. Development shall be undertaken in accordance with the approved details.**

**Reason: To ensure satisfactory relationship between the new development and the adjacent buildings, amenity areas and trees in accordance with Test Valley Borough Revised Local Plan (2016) Policy E1.**

- 9. The development shall not be occupied until space has been laid out and provided for the parking and manoeuvring of vehicles to enable them to enter and leave the site in a forward gear in accordance with the approved plan P20-080 02-02-002 Site plan. Prior to use of the car parking areas details of how these parking spaces are to be demarcated shall be submitted to and approved in writing by the Local Planning Authority. Once approved the parking spaces shall be provided and demarcated in accordance with the approved details prior to the first use and these spaces shall thereafter be reserved for such purposes at all times as shall the demarcation of each individual space.**

**Reason: In the interests of highway safety in accordance with Test Valley Borough Revised Local Plan (2016) Policy T1 and to ensure that parking is provided and the correct number of spaces.**

- 10. Details of any external lighting shall be submitted to and approved in writing by the local planning authority prior to the occupation or first use of any part of the development . Development shall be carried out and maintained in accordance with the approved details and no additional external lighting shall be provided thereafter.**

**Reason: To safeguard the amenities of the area in accordance with Test Valley Borough Revised Local Plan (2016) Policy E5 and LHW4.**

11. No development shall take place, (including any works of demolition), until a Construction Method Statement has been submitted to, and approved in writing by, the LPA. The approved statement shall include scaled drawings illustrating the provision for –
- 1) The parking of site operatives and visitors' vehicles.
  - 2) Loading and unloading of plant and materials.
  - 3) Management of construction traffic and access routes.
  - 4) Storage of plant and materials used in constructing the development.
  - 5) Full swept path vehicle tracking
  - 6) Wheel cleaning and chassis of HGVs and delivery vehicles leaving the site
  - 7) Means of keeping the site access road and adjacent public highway clear of mud and debris during site demolition, excavation, preparation and construction.

Development shall be carried out in accordance with the approved detail.  
Reason: In the interests of highway safety in accordance with Test Valley Borough Revised Local Plan (2016) Policy T1.

12. The padel tennis courts hereby approved shall not be used until full details of the design and specification of the ball stop mitigation, including details of management and maintenance responsibilities, as set out in Labosport's risk assessment/mitigation report dated 4th August 2023, have been; (a) submitted to and; (b) approved in writing by the Local Planning Authority, after consultation with Sport England. The approved mitigation shall be installed in full before the padel tennis courts are first used and thereafter be managed and maintained in accordance with the approved details.  
Reason: To provide protection for the new padel tennis courts and its users from potential ball strike from the cricket pitch and to accord with policy LHW4 of the Revised Borough Local Plan 2016.

Note to Applicant:

1. The development hereby permitted shall be carried out and completed strictly in accordance with the submitted plans, specifications and written particulars for which permission is hereby granted or which are subsequently submitted to, and approved in writing by, the Local Planning Authority and in compliance with any conditions imposed by the Local Planning Authority.

The Officer's recommendation as per the agenda and the update paper was proposed by Councillor M Cooper and seconded by Councillor A Dowden. Upon being put to the vote the motion was carried.

Thereafter, the replacement bat roost features and enhancements shall be permanently maintained and retained in accordance with the approved details.  
Reason: to ensure the favourable conservation status of protected species in accordance with Policy E5 of the Test Valley Revised Local Plan DPD.

- 5. External lighting will follow best practice guidelines outlined by the Bat Conservation Trust and the Institute of Lighting Professionals (Guidance note 08/18 Bats and artificial lighting in the UK). Prior to commencement, a detailed lighting strategy for the construction and operation phase of the development shall be submitted to and approved in writing by the Local Planning Authority. Development shall subsequently proceed in accordance with any such approved details, with the approved lighting strategy maintained in perpetuity.  
Reason: to prevent disturbance to protected species in accordance with the National Planning Policy Framework and the Revised Test Valley Local Plan DPD.**
- 6. No development shall take place (other than any approved demolition and site clearance works) until an assessment of the nature and extent of any contamination and a scheme for remediating the contamination has been submitted to and approved in writing by the Local Planning Authority. The assessment must be undertaken by a competent person, and shall assess the presence of any contamination on the site, whether or not it originates on the site. The assessment shall comprise at least a desk study and qualitative risk assessment and, where appropriate, the assessment shall be extended following further site investigation work. In the event that contamination is found, or is considered likely, the scheme shall contain remediation proposals designed to bring the site to a condition suitable for the intended use. Such remediation proposals shall include clear remediation objectives and criteria, an appraisal of the remediation options, and the arrangements for the supervision of remediation works by a competent person. The site shall not be brought in to use until a verification report, for the purpose of certifying adherence to the approved remediation scheme, has been submitted to and approved in writing by the Local Planning Authority  
Reason: In the interest of pollution in accordance with Test Valley Borough Revised Local Plan (2016) Policy E8.**

  - 5) Vehicle tracking in associated with the largest vehicles associated with construction.**

**Reason: In the interests of highway safety in accordance with policy T1 of the Revised Borough Local Plan 2016.**
- 8. Prior to commencement on site a scheme shall be submitted to and approved in writing by the Local Planning Authority detailing the method of cleaning wheels and chassis of all HGV's, plant and delivery vehicles leaving the site and the means of keeping the site access road and adjacent public highway clear of mud and debris during site demolition, excavation, preparation and construction. The scheme shall be implemented in accordance with the approved details and shall be installed and operational before any development commences and retained in working order throughout the duration of the development. No vehicles shall leave the site in a condition whereby mud, clay or other deleterious materials shall be deposited on the public highway.  
Reason: In the interests of highway safety in accordance with policy T1 of the Revised Borough Local plan 2016.**

9. The development shall not be brought into use until vehicular visibility splays as indicated on the approved plan(s) in which there should be no obstruction to visibility exceeding 1.0m in height above the adjacent carriageway channel line have been completed. The Visibility Splays shall thereafter be retained for the lifetime of the development.  
Reason: To provide and maintain adequate visibility in the interests of highway safety in accordance with policy T1 of the Revised borough Local Plan 2016.
10. The development shall not be occupied until space has been laid out and provided for the parking and manoeuvring of vehicles to enable them to enter and leave the site in a forward gear in accordance with the approved plan and this space shall thereafter be reserved for such purposes at all times.  
Reason: In the interests of highway safety in accordance with Test Valley Borough Revised Local Plan (2016) Policy T1.
11. At least the first 4.5 metres of both access tracks measured from the nearside edge of carriageway of the adjacent highway shall be surfaced in a non-migratory material prior to the use of the access commencing and retained as such at all times.  
Reason: In the interest of highway safety in accordance with Test Valley Borough Revised Local Plan (2016) Policy T1.
12. The development hereby approved shall be undertaken in full accordance with the provisions set out within the Hearne Arboriculture Arboricultural Impact Appraisal and Method Statement reference JH/AIA/22/034 dated 9 March 2022.  
Reason: To ensure the enhancement of the development by the retention of existing trees and natural features during the construction phase in accordance with Test Valley Borough Revised Local Plan policy E2.
13. Tree protective measures installed (in accordance with the tree protection condition) shall be maintained and retained for the full duration of works or until such time as agreed in writing with the Local Planning Authority. No activities, nor material storage, nor placement of site huts or other equipment what-so-ever shall take place within the barrier.  
Reason: To ensure the avoidance of damage to existing trees and natural features during the construction phase in accordance with Test Valley Borough Revised Local Plan policy E2.
14. All service routes, drain runs, soakaways or excavations in connection with the development hereby permitted shall remain wholly outside the tree protective barrier.  
Reason: To ensure the avoidance of damage to existing trees and natural features during the construction phase in accordance with Test Valley Borough Revised Local Plan policy E2.
15. The development hereby approved shall be designed and built to meet Regulation 36 2 (b) requirement of 110 litres/person/day water efficiency set out in part G2 of Building Regulations 2015.  
Reason: In the interests of improving water usage efficiency in accordance with policy E7 of the Test Valley Borough Revised Local Plan 2016.
16. Before the development hereby permitted is commenced details, including plans and cross sections, shall be submitted to and approved by the Local Planning Authority of the existing and proposed ground levels of the development and the boundaries of the site and the height of the ground floor slab and damp proof course in relation thereto. Development shall be undertaken in accordance with the approved details.  
Reason: To ensure satisfactory relationship between the new development and the adjacent buildings, amenity areas and trees in accordance with Test Valley Borough Revised Local Plan (2016) Policy E1.

17. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification), no windows/dormer windows in the elevations or roofs of the proposals hereby permitted [other than those expressly authorised by this permission] shall be constructed.  
Reason: In order that the Local Planning Authority can exercise control in the locality in the interest of the local amenities in accordance with Test Valley Borough Revised Local Plan (2016) Policy LHW4.
18. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order amending, revoking or re-enacting that Order), the garage(s) hereby approved shall at all times be available for the parking of vehicles.  
Reason: In order to maintain the approved on site parking provision and to reduce highway congestion in accordance with Test Valley Borough Revised Local Plan (2016) Policy T2.
19. No development shall take place above DPC level of the development hereby permitted until full details of hard and soft landscape works have been submitted and approved. Details shall include-where appropriate: proposed finished levels; means of enclosure; car parking layouts; hard surfacing materials.  
Soft landscape works shall include: planting plans; written specifications (including cultivation and other operations associated with plant and grass establishment); schedules of plants, noting species, plant sizes and proposed numbers/densities.  
The landscape works shall be carried out in accordance with the implementation programme and in accordance with the management plan.  
Reason: To improve the appearance of the site and enhance the character of the development in the interest of visual amenity and contribute to the character of the local area in accordance with Test Valley Borough Revised Local Plan (2016) Policy E1 and E2.
20. No development shall take place above DPC level of the development hereby permitted until a schedule of landscape management and maintenance for a minimum period of 5 years has been submitted to and approved in writing by the Local Planning Authority. The landscape management plan, including long term design objectives, management responsibilities and maintenance schedules for all landscape areas and an implementation programme, shall be submitted to and approved in writing by the Local Planning Authority. The approved management plan shall be carried out in accordance with the implementation programme.  
Reason: To ensure the provision of amenity afforded by proper maintenance of existing and new landscape features as an improvement of the appearance of the site and to enhance the character of the development in the interest of visual amenity and contribute to the character of the local area in accordance with Test Valley Borough Revised Local Plan (2016) Policy E1 and E2.

**Note to Applicant:**

1. The development hereby permitted shall be carried out and completed strictly in accordance with the submitted plans, specifications and written particulars for which permission is hereby granted or which are subsequently submitted to, and approved in writing by, the Local Planning Authority and in compliance with any conditions imposed by the Local Planning Authority.

The Officer's recommendation as per the agenda and update paper was proposed by Councillor M Cooper and seconded by Councillor A Dowden. An amendment was proposed by Councillor Johnston and seconded by Councillor A Dowden. Upon being put to the vote the amendment was carried. Members also agreed to remove condition 21 as set out in the agenda. The substantive motion was then put to the vote and was carried.

The development hereby permitted shall not be brought into use until 8 car parking spaces and associated turning space has been provided in accordance with the layout shown on the approved drawing reference Site Layout (WPYB/01A). The parking and turning shall be finished in a bonded material with provision for the drainage of surface water run-off. The area of land so provided shall be retained at all times for this purpose.**

**Reason: To ensure sufficient off-street parking has been provided in accordance with Policies T1 and T2 of the Test Valley Borough Revised Local Plan (2016).**

- 6. The existing hedgerow in the north-east corner of the application site, from the boundary with the footway to the front (north) elevation the building, on the approved Site Layout (WPYB/01A) plan shall be retained and maintained at a minimum height of 1 metre and any plants which die within a five year period shall be replaced in the next planting season after their failure, unless otherwise agreed in writing by the Local Planning Authority.**

**Reason: To ensure maintenance of adequate screening of the allocated parking area from neighbouring properties to protect residential amenity in accordance with Policy LHW4 of the Test Valley Borough Revised Local Plan (2016).**

- 7. The development hereby permitted shall not be brought into use until a scheme of biodiversity enhancement measures is submitted to and approved in writing by the Local Planning Authority. The approved measures shall be installed prior to first use and retained thereafter. Reason: To ensure the development achieves an enhancement of onsite biodiversity in accordance with Policy E5 of the Test Valley Borough Revised Local Plan (2016).**
- 8. No external lighting shall be installed until details have been submitted to and approved in writing by the Local Planning Authority. The details shall include plans and details sufficient to show the location, type, specification, luminance and angle of illumination of all lights/luminaires. The external lighting shall be installed in accordance with the approved details. Reason: To ensure the favourable conservation status of bats in accordance with Policy E5 of the Test Valley Borough Revised Local Plan (2016).**

**Note to applicant:**

- 1. In reaching this decision Test Valley Borough Council (TVBC) has had regard to the National Planning Policy Framework and takes a positive and proactive approach to development proposals focused on solutions. TVBC work with applicants and their agents in a positive and proactive manner offering a pre-application advice service and updating applicants/agents of issues that may arise in dealing with the application and where possible suggesting solutions.**

The Officer's recommendation as per the agenda was proposed by Councillor M Cooper and seconded by Councillor A Dowden. Upon being put to the vote the motion was carried.
