

**Appendix 2: Breakdown of greenhouse gas emissions within the Borough of Test Valley**  
(Department for Business, Energy and Industrial Strategy, 2022)<sup>1</sup>

<sup>1</sup> It has been indicated that a significant portion of landfill methane emissions for 2005-2009 could not be allocated to local authorities, so these emissions in the waste management sector will be an underestimate for some local authorities in the early part of the time series.
