

| Panel | Lead Member | Progress Update | Report back to OSCOM |
|--------------|-----------------|--|----------------------|
| Budget Panel | Councillor Neal | <p>The budget panel looked at three main areas, which were the mid-year current financial position; the principles included in the Medium Term Financial Strategy (MTFS) and the draft fees and charges for 2024/25.</p> <p>The mid-year financial reporting has since been reported to Cabinet and the MTFS approved by full Council. Whilst a large variance has been reported in the year to date, it is not surprising that the two biggest contributors are investment income (due to rates increasing faster than expected) and salary costs which are our largest expenditure.</p> <p>Most focus was given to the draft fees and charges that services are proposing for the coming financial year. Three areas were closely scrutinised and they were; pest control; sports pitch bookings; and room hire charges. After careful consideration the panel were in agreement with the proposals that had been put forward by services.</p> <p>The overall conclusion of the panel was that the budget setting work for 2024/25 is progressing well and the next update in January is eagerly awaited.</p> <p>The Panel has not met since the update provided to the Committee at its meeting on 22 November 2023. The next meeting of the Budget Panel will take place on Thursday 11 January.</p> | |
