

How to listen to recordings of Test Valley Borough Council Meetings

Play Button

Click on the arrow within the box to start playing the recording of the meeting.

Length of recording

This box indicates the title of the meeting you are listening to, and the timer below shows how long you have been listening for.

Fast Forward and Rewind

These two buttons allow you to skip forward 30 seconds or rewind the audio by 30 seconds.

Volume

If you click on the speaker icon a sliding bar will appear allowing you to adjust the volume.

Agenda Items

This drop-down menu indicates which item listed on the agenda you are listening to. You can skip forward to a particular item but pressing on the down arrow and then clicking on an item from the list that appears.
