

Property Purchase under Head of Estates Delegation

Report of the Finance Portfolio Holder

Recommended:

1. That the decision to pursue the purchase of the property identified in the Confidential Annex be noted.
2. That, following completion of the purchase, the budget for property investments be re-established in the Council's Capital Programme at £3M, with the additional sum to be financed from the Capital Receipts Reserve.

SUMMARY:

- In November 2015, Council approved a delegated authority to the Head of Estates, in consultation with a Member Panel, to purchase property investments where the timing of the normal Council approval process would reduce the Council's ability to complete the purchase.
- The Head of Estates, after consulting the Panel, has recently exercised his authority to progress the purchase of a property in Andover.
- In accordance with the original delegated authority, this report is presented to update Council on the details of the purchase.

1 Introduction

- 1.1 The Council's Medium Term Financial Strategy (MTFS) 2019/20 – 2021/22 sets out that the Council will continue to seek out new investment opportunities through Project Enterprise.
- 1.2 The property investment included in this report will help to achieve that objective.

2 Background

- 2.1 In recognition of the fast pace of the local property market, Council has approved a delegated authority to the Head of Estates, in consultation with a cross-party Member panel, to purchase property investments from a pre-approved capital budget. A sum of £3M was approved for this purpose.
- 2.2 The panel was established as a means of enabling approval of property investments where the timing of the traditional Council approval process would reduce the Council's ability to complete the purchase. The reason for the use of the Panel is set out in section 6 of the Confidential Annex.

- 2.3 A requirement of setting up the panel was that the details of any property approvals would be reported to a subsequent Council meeting.
- 2.4 The panel has recently confirmed its support for a report that recommended the purchase of a house in Andover. At the time the report was prepared, the panel consisted of Cllrs North, Giddings, Hurst, Stallard and Ward.

3 Corporate Objectives and Priorities

- 3.1 Project Enterprise has been established to support the objectives of the MTFs, by increasing the Council's income in order to reduce its reliance on government support. The income generated from the investments approved by the Member Panel will work towards achieving this objective.
- 3.2 The property considered by this report will also help to deliver the Corporate Plan objective to grow the potential of people to be able to live well and fulfil their aspirations.

4 The Property

- 4.1 The property was the subject of a report to the Member panel on 5 April 2019. A copy of the report and the marketing details are attached in the Confidential Annex.
- 4.2 Should the purchase be completed, it is expected that the Council will lease the house to Valley Housing Ltd (the Council's 100%-owned property management company) for future management and letting.
- 4.3 The house is a three-bedroom former Council-owned property located in Andover.
- 4.4 Further to the consultation with the Member panel, a purchase price has been agreed with the vendor at the expected price shown in paragraph 4.4 of the Confidential Annex.
- 4.5 The building survey has been undertaken and has not identified any issues that would prevent the purchase proceeding.

5 Risk Management

- 5.1 An evaluation of the risks associated with the matters in this report indicates that further risk assessment is not needed because the issues covered do not represent significant risks.
- 5.2 The risks associated with the purchases are explained in section 8 of the Confidential Annex.

6 Resource Implications

- 6.1 The business case for the purchase is shown in more detail in section 4 of the Confidential Annex.

- 6.2 The total amount approved to complete the purchase is £185,750 and will be financed from a pre-approved budget of £3M in the Council's Capital Programme.
- 6.3 If the purchase is completed in line with the approved budget, this would leave a balance of £2.814M in the Capital Programme for property acquisitions.
- 6.4 It is recommended that this budget be re-established at £3M after the completion of the purchase, with the additional amount to be financed from the Capital Receipts Reserve.

7 Legal Implications

- 7.1 The legal work required to complete the property purchase will be carried out by the Council's Legal & Democratic Service.
- 7.2 Delegated authority is already in place for an onward lease from the Council to VHL for future management of the properties.

8 Conclusion and reasons for recommendation

- 8.1 The Head of Estates has exercised his delegated authority to progress the purchase of a house after consultation with the cross-party Member panel established for that purpose.
- 8.2 This report provides Council with the details of that decision and the progress made since the decision was taken.
