

Corporate Action Plan 2019-2023: Year 2 Update

Projects recommended to be removed from the CAP:

None

Projects to be retained on the CAP with amended descriptions:

Project	Description	Priorities
Andover Town Centre Masterplan	Following the preparation of the masterplan for Andover town centre, the Council will consider it for adoption and will then seek to bring forward proposals for the redevelopment of Andover town centre to support the future demand for business, leisure and residential opportunities. The projects will encompass the Council's aspirations around the Chantry Centre, Town Mills Riverside and the Wellbeing Quarter.	Town Centres Communities
Romsey South of Town Centre	In partnership with Romsey Future, this phase of the project will focus on responding to the outcomes of the consultation on the draft Masterplan options. Leading to completion of the final Masterplan and the subsequent drafting of a Supplementary Planning document that will guide future redevelopment proposals for this area of Romsey.	Town Centres Communities

ANNEX

<p>Town Mills Riverside Park</p>	<p>The Town Mills Riverside project will deliver significant improvements to the urban realm in the vicinity of Town Mills, to the west of the High Street. Construction is now underway to open up the river and create a new riverside park in the heart of the town centre. The project will play a key part in delivering the first phase of a new era for Andover and responding to the aspirations of the community expressed through the Andover Vision.</p>	<p>Town Centres Local Environment Communities</p>
<p>The Local Plan</p>	<p>This stage of the local plan will focus on evidence gathering and working with stakeholders, in consultation, on outlining possible options for the scale, mechanisms and locations for the delivery of growth in the borough.</p>	<p>Town Centres People Communities Local Environment</p>
<p>Working in partnership to attract inward investment, develop skills and strengthening productivity in Test Valley.</p>	<p>Refresh the Economic Development Strategy Action Plan to reflect new Corporate Priorities and our approach to inclusive growth.</p>	<p>People Town Centres Communities Local Environment</p>
<p>Empowering Communities</p>	<p>This programme will continue to strengthen the Council's approach to enable communities to be able to do more for themselves. In particular during 2019/20 the programme will focus on:</p> <ul style="list-style-type: none"> • Ongoing development for our Councillors as Community Councillors to support their communities in growing their potential. 	<p>Communities</p>

ANNEX

	<ul style="list-style-type: none"> • Strengthening the approach to Community Planning by working with parishes in rural communities and through Romsey Future and Andover Vision in our urban communities <p>Working collaboratively with the Test Valley Association of Town and Parish Councils. Supporting events and peer learning activities to strengthen partnership working.</p>	
<p>Working in partnership to increase recycling</p>	<ul style="list-style-type: none"> • Continuing to work with both the Hampshire Waste Partnership and Project Integra partnership to provide an integrated approach to the collection, treatment and disposal of municipal waste in Hampshire. • As part of Project Integra, continue working with Hampshire County Council on their behaviour change pilot scheme to tackle recycling contamination. • Following internal research activities within communities, implement and evaluate a pilot scheme using behaviour change to tackle recycling contamination in small, focussed areas across the Borough. • Monitor and respond to changes to the Environment Act. In particular, those focused on introducing a consistent approach to recycling 	<p>Local Environment Communities</p>
